Hail to the Chief

Don Robb

Hail to the Chief Don Robb
Although we know the president of the United States as the person who runs the government of our nation, do we know what the responsibilities of the president actually are? And, do we understand what effect his actions have? HAIL TO THE CHIEF: THE AMERICAN PRESIDENCY investigates the office of the presidency and its power. It details how this job was inaugurated, how it has changed over time, and why the person in this position is considered one of the most important and powerful leaders in the world. Examples of presidential actions and orders include every president from George Washington to Bill Clinton. Unique because of its thematic exploration of the presidency, rather than the people who have held the job, HAIL TO THE CHIEF is a significant and fascinating introduction to the mechanics of the American government.

Alan Witschonke's bold portraits and sweeping depictions of the circumstances that have made the American presidency a notable and compelling subject for the entire world will capture the interest of young readers. HAIL TO THE CHIEF brings vividly into focus all the exciting details of the office of the President of the United States.
