My Secret Life Complete First Season - Tales From A Married Escort (A Cuckold, Cheating Hot Wife Taboo Collection) Kaylie Blaze

Episode 1

My husband would never forgive me if he discovered the truth. I couldn't let that happen.

It had all started because I was bored. Before I knew it my secret side job had blossomed into a very lucrative business. I had become a high-class escort. And I actually enjoyed being the one to make men's dreams a reality.

What would happen to us if my husband ever found out? There was no way he'd sit back and watch me fulfill other men's fantasies. It wouldn't matter how rich the business men were or how much money I had made.

But I wasn't ready to quit. Not just yet. For now my secret is safe… or was it?

Episode 2

I thought my husband would leave me when he found out about my secret side business. I never imagined he'd practically take it over. But now he was managing the business, doing the bookkeeping and setting up my appointment with other men.

Everything was going great until our neighbor figured out what was going on. When he confronted us, there was only one way to keep our secret. I never in a million years would have thought my husband would have agreed to it.

This was wrong. I'd never see our neighbor the same way, and I'd never be able to look his wife in the eyes again.

Episode 3

Is it still cheating if your husband likes watching it? Really likes it?

Things between my husband and I hadn't gotten worse when he found out about my side business. He didn't leave me like I thought he might. Instead, things had gotten better.

Now that he was also my business partner he was in charge of setting up my daily schedule. He would pick who I saw and when I saw them. Sometimes he'd even help me get ready for my dates. On occasion he'd

even secretly stay to watch the sexy show I would put on with my clients from the closet.

He loved watching me get taken by a particular business man who wasn’t afraid to tell me what to do. But I didn't know how he'd react to seeing the pro football player taking me hard and fast, satisfying me in a way my husband couldn’t ever match.

Would it be too much for him to handle? Knowing he could never do the same?

This collection of shorts contain strong sexual content and is intended for mature readers only.
