Spoken Miracles: A Companion to "The Disappearance of the Universe" Martha Lucia Espinosa

Spoken Miracles is an anecdotal account of **Martha Lucía Espinosa**'s 30-year-long search for answers from God, as well as the result of a request that has been made by thousands of readers of author Gary R. Renard's *The Disappearance of the Universe*, lovingly called "D.U." Near the end of D.U., one of Gary's teachers mentions that there were 365 quotations from the modern spiritual guide *A Course in Miracles (ACIM)* used in the D.U. book. We are told also that if these quotations were read on their own, they could either be used as a thought for the day throughout the year, or they could simply be read like a book, in which case they would constitute a "refresher course" by Jesus, the Voice of *A Course in Miracles*.

Many people requested that these quotations be put into book form, but it was a bigger job than most realized. Gary and his teachers had used more than 11,000 words from *ACIM* during the course of their discussions. Additionally, inspiration guides this book to be written in a way that it can stand on its own, to help introduce people to both D.U. and *A Course in Miracles*, as well as to inspire and entertain a little, so it includes a short story as a way to introduce readers to the basic concepts of these remarkable and miraculous books.
