Bloom's How to Write about Jane Austen (Bloom's How to Write About Literature) Catherine J. Kordich
Noted for her witty depictions of English country life and sharply satirical views of class structure and human behavior, 19th-century novelist Jane Austen composed classics such as "Emma" and "Pride and Prejudice" that possess a timeless appeal for both general readers and literary scholars. "How to Write about Jane Austen" offers valuable paper-topic suggestions, clearly outlined strategies on how to write a strong essay, and an insightful introduction by Harold Bloom on writing about Austen. This new volume is designed to help students develop their analytical writing skills and critical comprehension of the author and her major works.
