**Property Law: Cases, Materials and Problems** Sandra H. Johnson, Jr. Peter W. Salsich, Thomas L. Shaffer, Michael Braunstein
Materials cover property law concepts and doctrine that will lead students to appreciate the challenges of property law practice and public policy issues. Both the materials on professional responsibility and ADR are focused toward allowing the teacher to use them to reinforce substantive legal principles while introducing students to important questions in law practice. The chapter on easements, covenants, and servitudes, as in the past, is organized around the principle that these relationships are variations on a common theme. Provides effective, teachable materials and gives professors emphasis and coverage flexibility. Designed for four-, five-, or six-credit-hour courses.
