JoAnne Silbert-Flagg, Elizabeth D. Sloand

Pediatric Nurse Practitioner Certification Review Guide: Primary Care JoAnne Silbert-Flagg, Elizabeth D. Sloand
Pediatric Nurse Practitioner Certification Review Guide: Primary Care has been developed especially for Pediatric Nurse Practitioners and Family Nurse Practitioners preparing to take certification examinations and as a reference in the practice setting. The text is divided into systems with an in-depth coverage of growth and development and health promotion and maintenance. The common disorders of the various body systems provide succinct summaries of definitions, etiology, signs and symptoms, clinical findings, differential diagnoses, diagnostic tests/findings, and management/treatment. The final chapter addresses PNP role development, current trends and health policy issues including topics such as credentialing, legal issues, legislation, reimbursement and delivery systems. Following each chapter are test questions, which are intended to serve as an introduction to the testing arena. In addition a bibliography is included for those who need a more in-depth discussion of the subject matter in each chapter.

From reader reviews:

Shirley Kier:

The book Pediatric Nurse Practitioner Certification Review Guide: Primary Care make you feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can to be your best friend when you getting pressure or having big problem using your subject. If you can make examining a book Pediatric Nurse Practitioner Certification Review Guide: Primary Care being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. You can know everything if you like open and read a book Pediatric Nurse Practitioner Certification Review Guide: Primary Care. Kinds of book are several. It means that, science book or encyclopedia or other individuals. So , how do you think about this guide?

Wm Schroeder:

Nowadays reading books be a little more than want or need but also work as a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want experience happy read one along with theme for entertaining for example comic or novel. Typically the Pediatric Nurse Practitioner Certification Review Guide: Primary Care is kind of book which is giving the reader unpredictable experience.

Robert Mangino:

Is it a person who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Pediatric Nurse Practitioner Certification Review Guide: Primary Care can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Clarence Williams:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Pediatric Nurse Practitioner Certification Review Guide: Primary Care can make you truly feel more interested to read.
